

McLean County Water Board
Notice of Public Meeting

The City of Mercer ND is hosting a public meeting regarding a water infrastructure project. The project includes water transfer from the city to the upstream water flowing to Brush Lake. The McLean County Water Resource Board will make a determination on the City's request for a Surface Water Drain Permit.

The meeting notice states "The City of Mercer will file an application with the USDA Rural Development for financial assistance to develop a project consisting of Water Improvements, Water Storage Improvements and Storm Water Lift Station. A public meeting for comments will be held from 6:00 PM to 7:00 PM on Thursday, April 21st at the Mercer Community Center to discuss the proposed project and to provide the opportunity for public comment." This public meeting is intended for the community of Mercer ND

Brush Lake Cabin Owners are encouraged to attend to learn the details of the project. Immediately following the City's Meeting the McLean County Water Resource Board will host a hearing for public comment and concerns regarding impacts of the project from 7:00 to 8:00 at the Mercer Community Center.

All comments from the meeting will be evaluated for determination of approval or denial of the water drain permit or result in restrictions attached to the permit. If you cannot attend the meeting, written comments can be mailed to McLean County Water Resource Board, 1237 Riverside Lane, Washburn, ND, 58577, or emailed to Lynn Oberg at obergm@westriv.com. Comments will be received until April 30th.
